

# CareOne® Nitrile Examination Gloves

Powder Free | Single Use

initium  
HEALTH

Order at [initiumhealth.org](https://initiumhealth.org)

Our 100% latex free, powder free nitrile glove is the latest generation of exam gloves. Made of synthetic nitrile rubber, CareOne® nitrile gloves feature superior puncture resistance, antibacterial protection, and chemical resistance compared to latex gloves. Nitrile gloves are widely preferred for use in hospitals and healthcare facilities, emergency services, and similar high-risk, high-use settings where advanced protection is required.

## Features

- Non-sterile, ambidextrous, single use
- Durable & flexible, surfaced-textured, soft
